Bringing Neighbors Together

About The Eagan Foundation:

The Eagan Foundation is a nonprofit community-building organization whose mission it is to make Eagan the best place to live, learn, work, and play. The Eagan Foundation was founded in 1990 and encourages, supports and enhances ideas, funding and collaborative action to meet community needs. To date, the Foundation has raised and reinvested over \$750,000 in the community through its scholarship, community initiatives and community grants programs.

Scholarship Program

Since 1991, the Eagan Foundation has sponsored a successful annual scholarship program and has awarded scholarships to hundreds of high school graduates who reside in or attend school in Eagan. Each year the number of scholarships awarded increases helping meet the increasing needs of deserving students in their pursuit of a higher education.

Community Initiatives

The Foundation has been involved in a number of other community initiatives such as the building of the Eagan Civic Arena, the “Forever Green” tree planting project and the Eagan Flood Relief program. Additionally, the Foundation, its generous contributors and volunteers, and the City of Eagan moved the “Grandfather Tree” to its current location at the entrance of the Eagan Community Center.

Fiduciary Agent Program

The Eagan Foundation is available to serve as the fiscal agent for charitable community groups who do not yet have IRS 501(c)(3) tax exempt status.
