Bald Man Brewing led by Dan Jacobs

Bald Man Brewing has developed multiple partnerships with a variety of organizations in Eagan (and beyond) to benefit the deepening of community as well as the health of other organizations.

Partnerships with Non-profit organizations:

One of the multiple partnerships that Bald Man has had is with Andiamo and the Eagan Foundation providing space and support and product for an Eagan Foundation awards presentation on May 7, 2019.

Bald Man Brewing has also partnered

- with Caponi Art Park with its concert series;
- with The Open Door;
- with the Eagan YMCA;
- with Eagan High School Booster Club in raising funds to support athletics;
- with teachers from District 191 and from District 196 by providing meeting space;
- Metcalf Chess Club;
- Faithful Shepherd School for its September Fest.

With other business and community outreach organizations:

Bald Man has partnered with Thomson-Reuters, with Old Chicago, with Andiamo, with Green Mill, with Zee Zees Barbecue, with both Rotary Clubs (noon meeting and Kick Start Rotary). Bald Man has partnered with fund raising efforts of several breast cancer awareness and research groups such as Drink Pink for Breast Cancer Awareness and Breast Cancer Research and Rock for Life (Relay for Life).

Dan Jacobs (President and Co-founder of Bald Man) stated that he loves Eagan because it feels like such a "tight knit community where people help each other out." His experience from city officials and City Council and many others community players has been outstanding. It is clear that Bald Man Brewing is in the business of helping others out as well as providing a successful business that provides a community handout place as well.

Bald Man Brewing is located at 2020 Silver Bell Road, Unit 25, Eagan, MN 55122

**Green Ribbon Initiatives of Eagan is proud to recognize and celebrate
